

10 EXTRA REASONS TO JOIN RHYTHMS OF GRACE!

1. **PEACEFUL PRICING** - Instead of extra “surprise” fees throughout the dance year, the cost of your costumes for both the January and June dance recitals, recital fees, recital souvenir t-shirts, and other goodies have been included in your monthly tuition installments. Our families find it super convenient and budgeting friendly!
2. **RHYTHMS READY APPOINTMENTS** - We want to make sure that all your questions are answered and that you feel confidently prepared prior to your child’s first class, so we offer each family a personal “Rhythms Ready” session. During this session, we’ll be happy to give you a tour of the studio, fit you for any shoes or dance wear you might need, and present your dancer with a special gift.
3. **CLASS -WEAR COVE** - You can purchase shoes, leotards, and tights for class in our Class-Wear Cove at the front of our family room area. We have both new and used shoes available for purchase to help with your budget! When your dancer’s feet hit a growth spurt and you have nothing to do with old dance shoes that no longer fit, we invite you to donate them to our “Cinderella Slippers” boxes at Rhythms of Grace. When you donate a pair of dance shoes you’ll get a coupon for \$5 off your next pair of new dance shoes.
4. **GEMBOREES** - During these annual parties the whole family is invited to celebrate as we present each girl with a treasure to add to their Rhythms Wristlet, present Treasure Test medals, and honor each dancer as they prepare to enter a brand new dance level. We’ll also celebrate our Five Year Feet dancers and add their footprint to the wall.

5. **RHYTHMS OF GRACE APP** - Keeping track of all your dance info? There's an app for that! You can download the ROG app onto your phone to receive push notification reminders, calendar integration, and access to your class schedule and account.
6. **LEAPS OF FAITH DANCE TEAM** - This dance ministry is offered free to all of our students age 7 and above. Girls learn discipleship and how to use their gifts for dance as worship and as outreach as they perform throughout the community.
7. **DRIVE THRU PICK UP OPTION** - After classes you are invited to utilize our super convenient drive thru pick up option instead of dragging younger siblings into the building or trudging through the snow or rain.
8. **COMMUNITY PERFORMANCE OPPORTUNITIES** - in addition to our two big recitals annually, our dancers are featured in the community Christmas parade and other special performances such as "Dance or Treat" at Halloween.
9. **HAPPY NEW YEAR PARTIES** - These celebrations take place each August to kick off our new dance year. We present each dancer with her Welcome Kit and size her for any shoes or dance wear they might want to purchase or order. The most highly anticipated part of the party is our big reveal of the January and June recital themes for the upcoming year!
10. **ETCH CLASS OPPORTUNITIES** - "ETCH" stands for Extra Time for Choreography and History. Included in your Peaceful Pricing are extra class sessions that target the national dance standards that many students don't receive as part of their school curriculum and that we don't always have time to explore during regular weekly classes.
